

BIC SILICA
TREAD COMPOUND

Colours 

ARTISTIC CYCLING

Specially developed tubular model for artistic cycling. The bicycle is very easy and smoothly to maneuver due to the round tread profile. The optimal tread compound provides excellent adhesion on all types of surfaces. This tubular will help you to master the most difficult exercises.

Tubulars	Size	Weight	Pressure	TPI Count <small>Sidewall area / Under the tread</small>
ARTISTIC CYCLING 26x1	26x1"	260 g	8-16 bar (115-230 p.s.i.)	210 / 315
ARTISTIC CYCLING 26x1 ^{1/8}	26x1 ^{1/8} "	300 g	8-16 bar (115-230 p.s.i.)	210 / 315
